Presentation

The winner of this award is announced during the annual National Convention.

History

The award for outstanding Chapter President was established in memory of the late Gilbert N. Guidry, former President of Chapter 4, Philadelphia Naval Shipyard.

In recognition of their excellent leadership and dedication to FMA, Gil Guidry Award winners receive lifetime FMA membership, a plaque, and their name on a perpetual plaque displayed at the National Office. All nominees receive special recognition.

Nomination Criteria

The winner of the Gil Guidry “Outstanding Chapter President” Award is determined by two to three judges who work for or possess substantial experience with the federal government. The winner is selected from written evaluations submitted by FMA Region Directors.

Each nominating Region Director has provided a statement to the panel of judges detailing how the nominee has worked to achieve the overall objectives of the Federal Managers Association by:

- Increasing the efficiency of the managerial force;
- Promoting the social, intellectual, and material welfare of the membership;
- Establishing mutual understanding, respect, and working relationships with responsible representatives of community, city, state, and federal government;
- Promoting, supporting, and defending legislation clearly beneficial to the membership and to the nation;
- Vigorously opposing legislation clearly detrimental to the welfare of the membership and the nation’s security; and
- In every endeavor, promoting justice, maintaining integrity, and assuring equality for all.

Note: The nominating statement is limited to two typewritten pages (“8½ x 11”) with no less than 1-inch margins on the sides, top and bottom using 11-point print and Arial font. The nominee must either be a current or former FMA Chapter President.
