Dear Contributor:

Thank you for being such an important influence on our program in the past. I am writing on behalf of the Federal Employee Education & Assistance Fund (FEEA) again to request your assistance with our upcoming 15th Annual FEEA Golf Tournament on October 13, 2010 at the Stone Mountain Lakemont golf course in Stone Mountain, Georgia. The tournament is being organized by the CDC Federal Managers Association (FMA) to award scholarships to rising high school seniors and current college students. We look forward to your participation in making this year's tournament a success. A list of sponsorship opportunities is attached for your review.

FEEA, an established 501(c) 3 charity, has provided over \$5 million in scholarships to college students around the nation. You can be confident that your money is being well spent, and will help provide for local students' future. FEEA is one of the most efficient charities among the 1,000 national charities participating in the Combined Federal Campaign. For more information about FEEA programs, please visit our website at www.feea.org.
