Why You Should Join FMA

The Federal Managers Association is the only professional association advocating for all federal managers, supervisors and executives. Your pay, retirement benefits, and job are being targeted.

FMA fights to protect what you have earned.

FMA advocates for legislation that helps our members by meeting with decision makers, testifying before Congress, briefing legislators, crafting legislation, and mobilizing our members to fight for good government policies.

FMA provides members training for both grassroots action and general skills improvement, helping you become a stronger leader and creating opportunities for advancement.

Without a vibrant membership, none of this work is possible.

Join FMA before July 31, 2025 and receive a \$100 AMEX Gift Card!*
