

March 25, 2026

Dear Member of Congress:

On behalf of the managers, supervisors, and executives in the federal government whose interests are represented by the Federal Managers Association (FMA), I want to thank you for taking the time to meet with our members during FMA's annual *Day on the Hill*.

Delegates attending our 88th annual National Convention are on Capitol Hill today discussing issues of importance to us as civil servants and stewards of spending taxpayers' money wisely. An Executive Summary and Issue Briefs describing our 2026 legislative agenda and recommendations are included for your review.

The Federal Managers Association draws its members from more than forty federal departments and agencies. We are a nonprofit professional association whose mission is to promote excellence in public service through effective management. In representing our members, we work closely with the Executive Branch and Congress to provide policymakers with the benefit of our members' unique views and experiences.

Our Association's members constantly strive to provide high-quality service to the public in the most cost-effective manner possible. Our legislative recommendations for the second session of the 119th Congress are aimed toward achieving this goal. As those closest to the process of managing and supervising the entire federal workforce, we appreciate this opportunity to share our insights with you. Thank you again for your time and consideration of our views.

With kindest regards, I am

Sincerely yours,

 A handwritten signature in blue ink that reads 'Craig Carter'.

Craig Carter
National President
